

Objectives

Looking for a position to utilize my technical and analytical skills in application development that help me in enhancing my current skills, knowledge and to be involved as a member of a team that works towards the growth of the organization.

Education

Computer Science & Engineering

2016-2020

I have completed BE with 7.28 CGPA at Smt Kamala sri Venkappa M Agadi college of engineering & technology from VTU Belgavi.

Training

Java Enterprise Application development at X-workz ODC Bangalore.

Internship

Web development at Sathvik Softtech, Hubballi.

Project

Title : Smart glove for sign language communication

Description : This project aims to bridge the communication gap between deaf/dumb people and normal persons by designing a portable glove that takes input as the hand gestures (sign language) and outputs the translated text on a smart phone.

Technical Skills

Programming language

C, JAVA

Web Technologies

HTML, CSS, JAVA SCRIPT

IDE

Eclipse, Visual Studio

Other Tools

Microsoft word, Microsoft excel, Microsoft power point, Sublime text editor

Version Control

Github

Technical Summary

Java

Understanding of features of JAVA and about JVM,JRE,JDK, Data types, Variables, Access Modifiers, Methods , String, Array, Class, Object, Constructors, Wrapper Classes.

Knowledge on packages, import statements, memory management, application development standards.

Knowledge on OOPS Principles (Abstraction (Interfaces), Inheritance, Encapsulation, polymorphism).

Understanding of Overloading, Overriding, Data Transfer Objects, Keywords (this, static and super).

Exception (Hierarchical structure , Checked and Unchecked Exception),Collection (Hierarchical structure ,List Array List, Iterator).

Web Technology

HTML: Knowledge on html Element, Attributes, Headings, Styles, Links, Images, Tables, List, multimedia tags,form.

CSS: Knowledge on CSS types,Selectors, Colors, Box model, position property,Flex, combinators, CSS pseudo classes.

JAVA SCRIPT:Features of JS, variable, datatypes, array,function, this keyword,object,use-strict,arrow function.

Co-curricular Activities

- Participated in the state level project competition “**AVISHKAR-2020**” held by VTU Belagavi and we were in the competition till final round.
- Completed the **Career Edge**, an online course offered by TCS iON.
- Completed the Future Skill Development Training on **Artificial Intelligence** held by FUEL, Hubballi.
